Invitation to Chi State Convention 2010

The Local Arrangements Committee is working hard to help make the Chi State Convention run smoothly with your needs in mind. We hope you enjoy the celebration with dynamic speakers, inspiring Interest Sessions, beautiful ceremonies, and special times with sisters from all over the state. Fresno is beautiful in the spring time and is a great central location. We welcome all convention attendees and we hope you find a Chapter member who has not attended a convention before and bring her along. Take action today to send in your convention registration and make your hotel reservation.

Have you seen the world renowned National Parks nearby? If not, think about coming early or staying longer to visit Yosemite National Park which is only one-hour away. Kings Canyon and Sequoia National Parks are within a two hour drive.
