

The Delta Kappa Gamma Society International Chi State

Personal Growth and Services Committee

Purpose VI To stimulate the personal and professional growth of women and to encourage their participation in appropriate programs of action

Community Service/Youth At Risk Project Recognition

The Community Service/Youth At Risk Projects are ways Chapters can meaningfully reach out to their communities to alleviate some of the hardships facing youth and families today. Projects should emphasize the importance of literacy and the many forms it can take.

Send a description of your project to the Personal Growth and Services Committee so that your Chapter may be recognized.
